Washington, D.C. 20231

Sir:

Applicant respectfully requests entry, as a preliminary amendment, the amendment previously filed under Rule 116 in applicant's parent application S.N. 07/471,287, but which was denied entry by the Examiner in the advisory action dated October 8, 1992. Consideration of the declaration of inventor Dr. Brooks referred to in that amendment after final is also requested prior to the first action in this file wrapper continuation application.

Respectfully submitted,
LIMBACH & LIMBACH
